

# STROUDSBURG VARSITY "S" ASSOCIATION

## NOMINATION FORM

### STROUDSBURG HIGH SCHOOL ATHLETIC HALL OF FAME

Outstanding athletes, coaches, teams and contributors are an inspiration to youngsters and a source of pride to adults in a community. Unfortunately, school districts employ no sports historians and local sports greats may all too soon be forgotten. To rectify that situation, the Stroudsburg Varsity "S" Association, in 1986, initiated an Athletic Hall of Fame to recognize those truly outstanding individuals whose achievements were remembered for many years after graduation.

Selection to the Hall of Fame depends upon accurate and complete information provided by friends or family members. You may add pages as needed. Newspaper files, scrapbooks of family members, and written personal anecdotes may be supplied so that the committee, members of which may not personally recall the nominee, can make appropriate selections. Eligibility for a player begins ten years after graduation from Stroudsburg High School.

Please complete the form below and return it to the Stroudsburg High School Athletic Office, 1100 West Main Street, Stroudsburg, PA 18360.
