Physical Information:

Sports physicals are now free of charge. We are also hosting physicals at Whitehall on February 24. You can sign up for these physicals using the FamilyID website. If you are going to get a physical from your own doctor, please take Sections 6 and 7 of CIPPE form to your doctor. You can print these forms at: <https://zephyrathletics.com/main/filesLinks/>

Any student-athlete who has received a physical by his or her own physician has to have had that physical take place on or after June 1, 2022. Please be sure to take Section 6 and Section 7 of the CIPPE form to your doctor. No physicals performed before June 1, 2022 will be accepted regardless of purpose of the prior physical.

Preseason Parents' Meeting for all sports and all levels:

All parents and athletes are expected to attend pre-season coaches meetings. These meetings are sport-specific and are held by sport coaches prior to the season. This year they will be held in conjunction with the Whitehall Athletic Department Pre-season Meeting. **The meeting will take**

place on Wednesday, February 22, 2023. The meeting will begin promptly at 7:00 p.m. in the High School Auditorium. Coaches from all fall sports will be present to host their sport specific meetings that evening as well.

The Whitehall Athletic Department Pre-season meeting will be brief and inform you of some basic athletic department policies and procedures, followed by sport specific meetings in other classrooms. This is an excellent opportunity for parents who are new to interscholastic athletics to hear information on insurance, injuries, and programs, as well as have an opportunity to ask questions which they may have. Sport coaches will distribute and discuss valuable information that will help your student-athlete have a successful sport experience.

Veteran athletic parents and their athletes will also not want to miss this evening as your sport coach will also hold his/her preseason meeting that evening. At this portion of the pre-season meeting parents and athletes will receive information on schedules and practice times, regulations, and expectations. It is a meeting you should not miss

The first day of practice for all FALL sports is:

MONDAY, MARCH 6, 2023
