

Boys Golf
Information
2023

Make sure that you have completed the Athletic Registration found on the school website.

Practice begins the Monday after Spring Break

No cuts made based on ability. Only grades or behavior. Make sure you have some "khaki" pants or short and a golf shirt. Dress codes at most courses require this.

Check in with the coaches each morning before class at the ticket booth in the lobby. This will start being an obligation after spring break. We do want you to check in next Wednesday and Thursday mornings just to make sure you will be all set to go.

We practice at Brighton Dale. We ask everyone to purchase a Junior Pass (\$95) it is good all summer. During the season you get free golf and range balls.

You need to get your own ride to the course and home when you are done. 5:00 is the normal end to practice, but you can stay longer if you wish. Let us know if you need help with car-pooling. There is a bus that goes by Brighton Dale, but its's inconvenient.

We have a Varsity, JV1 & JV2. When we play at home you get your own ride to Brighton Dale. When we play on the road we provide transportation to the course and back to school. JV2 is for player that are relatively new to golf and it's a place for everyone to get some competition regardless of ability.

Load the GCAW app onto your phone. We used it for live scoring for the events and occasionally for practice. It's a place for your parents etc. to follow results.
