Dear Student Athlete and Parent/Guardian,

We have just concluded the most tumultuous year in school history. The challenges we faced and overcame have certainly made us stronger. I'm so proud of our Husky teams who worked hard every day and earned 6 Conference, 3 District, 4 Regional, and 2 State Championships. In addition, we had 7 teams earn Academic All-State honors. I look forward to building on our success this year. If you are an incoming freshman, I'd like to encourage you to consider participating in athletics. For returning student athletes and parents, I'd like to thank you for your unending patience, dedication, and resilience.

As we move forward, I wanted to reach out to make sure you have the information you need to prepare for the coming school year. We are now using an online method of processing required documentation and payments. In addition, this is where you'll receive communication from your coaches and the Athletic Department. Together with their student athlete, parents should follow the directions on HuskyPride.net to create a student profile. This profile will remain active until the student graduates. Parents and students should update each summer.

Fall practices and tryouts will begin on Aug. 9. Coaches will send sport-specific information by Aug. 1, so make sure your profile is completed soon. An important reminder – a physical dated on or after April 15, 2021, MUST be uploaded into your student profile BEFORE you step onto any field. No exceptions - this is an MHSAA rule and we have to follow it. Thank you in advance for your cooperation.

In closing, I think we can all look forward to a "normal" year. Student athletes, please do your part to stay healthy. Parents, I plan to hold the Fall Sport Parent meeting in person this year and look forward to seeing everyone. In the meantime, please feel free to call or email – coanderson@fhps.net with any questions or concerns.

Thank you and Go Huskies!

Sincerely,

Forest Hills Public Schools
Behm, Superintendent
