

St. Mary School Transportation Release Form

Parent/Guardians are encouraged to permit their Student-athletes to remain with the team whenever possible. In the event you need to make an exception, please fill out the form below and return it to the Athletic Director or main office prior to the day of the event. The Athletic Director will notify the appropriate coaching staff.

Please remember:

1. Students are not to drive to or from St. Mary athletic events where they are competing.
2. If a parent is transporting someone other than their own child please make prior arrangements so that both the school and the coaching staff are informed of this decision.
3. The St. Mary Athletic Code of Conduct is in effect at all times.
4. Always inform the coach that you are leaving and assuming responsibility for the student-athlete.

I understand that the St. Mary School athletic rules require that students ride with the team transportation provided to and from all athletic events and any variance from this requirement will release St. Mary School and Parish from any and all liability for any adverse result that may occur.

Please make every effort to hand this form in to the Athletic Director or main office prior to the event.
