

Dear Football Players & Parents,

Preparations are underway for another exciting football season. The sale of the FCA Car Raffle is one of the main fundraisers that we do for our football programs. It is essential to have 100% participation of our students-athletes to ensure we meet our goal. We are asking for each player to sell at least 10 tickets to help offset the costs associated with running a high-level football program.

In addition, players can sell additional tickets to help with some of their football expenses as well.

- Sell 30 Tickets: Transportation and Insurance Fee Waived
- Sell 40 Tickets: Above + Spirit Pack Fee Waived
- Sell 50 Tickets: Above + Summer Camp Fee Waived

**Students can obtain additional tickets ONLY after the first 10 have been sold and returned.*
