

**TENTH Annual
Skate for a Cure
February 2, 2019**

Donor Information Sheet

History

This is the **TENTH** year the Saint Thomas Aquinas Hockey Team has played a benefit hockey game to raise money to fight cancer. Our first year we raised \$700.00. Each year we have increased the amount raised from the previous year. Our goal this year is to raise \$10,000. All funds will be donated to Wentworth Douglass Hospital Foundation to support the Seacoast Cancer Center. The Saint Thomas boys and Saint Thomas/Winnacunnet girls hockey teams want to support our community hospital in the fight against cancer.
