

3-10-22 FHE Athletic Booster Meeting minutes

March 10, 2021 - Athlete of the Month Ceremony
7:00pm, FHE Great Hall

1. Vice President Welcome and Call to Order

Jessie Challa 7:02

The FHE Athletic Boosters club exists with a purpose of supporting and providing services and financial assistance to all FHE Athletic programs. Our objective is to cultivate in our youth athletes good sportsmanship, loyalty, fair play and commitment to their sport. We provide funding through our donors, either monetarily or with volunteering their time to provide our student athletes with a competitive advantage and enabling them to compete on the highest level possible.

3 times/year, we are honored to recognize those athletes who contribute the following to their respective sport:

- *Sportsmanship (respect coaches, officials, opponents, teammates)*
- *Commitment (toward practices, games and continued improvement)*
- *Character, on and off the playing field*
- *Toughness (both mental and physical)*
- *Work Ethic*
- *Teamwork*
- *Focus and Discipline*
- *Perseverance (overcoming challenges)*
- *Exhibiting Hawk Pride*

It should be noted that these Athletes are not merely the “star” player, but rather a team member who sets a good example for others and exhibits the greatest all around attributes of leadership, character and teamwork. And as a Board, we want to celebrate those athletes.

We want to also thank you, parents, for dedicating your time and efforts to help support our FHE Boosters club. We encourage all to attend our meetings and be part of the organization. From coaches to team parents, we would not be able to meet our goals without your contributions to our group. We thank you!

We also want to thank our Patron Donors for their monetary contribution to our Boosters group this year (listed on your agenda). These patron donors, along with our year long concessions efforts, provide the majority of our annual budget funding. If you have the opportunity, please frequent these donors or sing their praises in our community.
