- Raising money: Concessions is 90% of our fundraising. Please make sure that your team parents are volunteering to staff the concession stand. You can volunteer for any time slot, not just the time slots specified for your team. The money given to your team will be reflective of volunteer time given to the concession stand.
- A huge thank you to Michelle and Jackie for making the concession stand a success. They have donated countless hours both behind the scenes and in the concession stand.

Ben Sherman

- The outside concession stand is not open yet due to the weather
- The concession stand is keeping track of who works so that money can be given to the teams that participate in volunteering.

Ali Doyle

- Thank you to all who helped with the Winter Hawk Rally
- Even though we had to postpone due to weather issues, the event was a success!
- Sponsorship was the biggest component
- We have thank you cards available for anyone who would like to thank those who donated
- The event did a good job of bringing together the community

Feedback for Winter Hawk Rally

- Maybe do a student ticket with wristband for \$10 which would cover all of the games
- Silent auction online was difficult at the event because of limited phone service in the building
- Next year maybe have online silent auction before the event, then continue the silent auction on paper at the rally
- Paid games - change that to the Aux gym next year
- Ask elementary schools for auction baskets
- Yard work, free labor items went fast and were bid on a lot
- items for elementary kids didn't go as well
- The baskets were amazing.
- Need smaller value baskets next year

THANK YOU ALI DOYLE FOR THE AMAZING JOB YOU DID ON THE WINTER HAWK RALLY!!!

Meeting adjourned at 7:56 p.m.
