Ali Doyle

- Please make sure you sign in at each meeting. This is the only way that we will be able to give your team credit.
- Someone needs to represent your team at each meeting
- Please do not represent more than one sport at each meeting
- the representative for each sport needs to get people to sign up to cover concessions - this is a big part of how the funds are distributed

Volleyball team

- The volleyball team showed up in full force to thank the board, Ben Sherman, and JJ for all of the support they have been given from the Athletic Boosters
- In the past, they haven't felt like they looked like a team. They have been given brand new warm-ups along with new Varsity & JV jerseys and feel this has helped them look like a team.
- They were given new volleyballs this year.
- They really appreciated the Senior Night which was topped off by having the tunnel to run out of.
- They feel this is the most support they have had in years and think that it helped their program build a better sense of unity.

Gift Card Drive

- The volleyball and football teams were asked to do a gift card drive for the Winter Hawk Rally
- This was a contest between the two teams
- The volleyball team raised \$1220, while the football team raised \$645
- The football team will be serving pizza to the volleyball team for lunch

Winter Hawk Rally

- Friday, February 8, 2019
- Students will stay after school to set up
- 4-6 p.m. will be for younger kids - will be similar to Hawk Rally but indoors
- 6-8 p.m. will be for the bigger kids - basketball, volleyball, dodgeball, etc

- We need spring and fall sports to be involved, not just winter sports

Booster requests

- We are always looking for donations

- We have close to \$16,000 in requests right now. We would love to be able to fulfill all of the request that we receive.
- We are looking to form a committee that will be in charge of corporate donations
- PLEASE, PLEASE, PLEASE make sure that you have representatives from your team sign up to work the concession stand
- We need participation from all teams for the Winter Hawk Rally

Concessions - Jackie Doherty

- you can find the signup genius on the weekly update
- new items purchased: grills, popcorn machine, hot dog roller, storage
- Winter sign-up will be going out soon
- We are looking for student participation
- We love having National Honor Society participation
- You will need to sign-in when you work in the concession stand in order for the concession team to monitor who participates
- Parent reps need to check the sign-up genius to see when their sport is responsible for covering concessions
