Statement of Activity presented. Grant activity up this time from last year, 30k vs. 7k. Records wall paid this fiscal year, from last year (surplus budget). Patron Donors, 5k out still + 5k golf = 10k income yet. Concessions had 5k more reported. Financial Report approved.

4. Review grant requests – 10 min (Ben Sherman)

a. FHNE – Hoods

\$200 more/already approved \$800, total 1K. Coach didn't realize the coats ordered didn't have hoods and not having them defeated the purpose of having outdoor coats.

b. Crew – 2 tents

Tabled for now. Want more quotes and research done. Is there an extended warranty? Maybe order one tent now or pay 50% for both tents?

c. Ski team – Equipment and training lanes

5. Nominations for Board members – 5 min (Kevin Stotts)

6. Public comment – 5 min (Open)
