Dock Parents and Students,

The mission of Dock Athletics is to develop the God-given abilities of our students to build well-rounded people who live a purpose-driven life. The ability to represent Dock as a student athlete is a privilege with our established programs and facilities. I have personally benefited from the life skills that I learned during my time at Dock as a student athlete, a coach, and now an administrator.

One of the highlights of Dock Athletics is the recognition and appreciation of team and individual achievements, especially for seniors. A hallmark recognition of a Dock student athlete is the **Outstanding Athletic Achievement Award**.

[Please click here to learn the award-winning criteria for this honor.](#)

Traditionally, winners for the Outstanding Athletic Achievement Award have been announced at the Spring Academic Awards Convocation and the Spring Sports Awards Night. The challenge of this timing is that spring sports have not concluded at the time of the nomination and voting period.

The Dock Athletic Committee (made up of all varsity head coaches) has unanimously voted to move the award announcement and recognition to the Fall Concert during Homecoming Weekend.

This will follow the current senior class graduation (e.g. 2023 graduates will be honored during the Fall Homecoming of 2023). The purpose of this change is to ensure that the honor of the Outstanding Athletic Achievement Award is equitable across all athletes and their sports as well as giving coaches sufficient time to fairly consider all athletes.

Recipients for this award will be notified well in advance for planning and travel purposes to be recognized at the Fall Concert on Homecoming Weekend. Recipients will continue to be honored in Longacre Center in Dock Athletics' Hall of Honor.

Seth Frankenfield
High School Athletic Director
