I look forward to working with you all this summer! Weights, open gyms, am early - open shooting, conditioning, etc. are taking place this spring and will continue in June and July; 4-man drills may be scheduled before or after these events. An option to work out at XT Fitness in Findlay will be discussed. Be sure to secure these seasonal schedules via Coach Jury, the basketball website, announcements, Remind, Twitter, etc.

We will observe the OHSAA dead period of August and give some additional family/school time (away from basketball related events) through Labor Day. During this time lifting only will take place 2x/week for those who have no other athletics, activities etc. Weights/conditioning/open gyms/etc. will be planned starting in September shortly after Labor Day through official practice which begins on Friday, November 1. I encourage all students to consider participating in a Fall sport, but if you do not, all of these off-season events are optional opportunities to provide excellent strength, conditioning, and skill advancement. Whatever you do, do it well!

Let's Go Chieftains!
