## THANK YOU!

**by Chad Rutkowski, Head Coach**

From all of us at Northview Volleyball, THANK YOU.

Over the past couple of weeks, I have been thinking an awful lot about this past season. With every single thought that crosses my mind I am constantly reminded of just how thankful and fortunate we all were to have this opportunity; it has truly been an honor to lead this exceptional group of young women. And, I can promise you with a sincere heart, that this year will be one that I will never forget for as long as I live.

It is hard to believe that the season has come to an end and it feels like it should still be going on – although August seems like an eternity ago. Then again, in this time of a global pandemic, there were moments in the season that were extremely tough emotionally, both highs and lows. With every season we are able to reflect on those moments in our lives that are pivotal to our growth and development as life-long learners. I firmly believe that this season is one that will be cemented in our memories and in the history books, but not only because of the circumstances at hand, but because of the overall success of this program. But with every end means there is new beginning, and new doors will constantly open with new opportunities. Now, we prepare and look forward to 2021!
