VOLLEYBALL

APRIL SHOWERS BRING MAY FLOWERS

by Chad Rutkowski, Head Coach

April has proven exactly what we had hoped, it has come and gone... maybe faster for some and slower for others, but the promise of a new day, a new horizon, and the thought that the world will continue to turn is prevalent now more than ever. As we look forward to May, we have many things to look forward to.

As we were talking with the Class of 2021 just this past week, we were talking about continuous communication between our teammates, our friends, and the coaches. It was a simple message "Keep them engaged - maybe even touch base with them every couple days, if not everyday. We want you to all be excited about volleyball and to be looking forward to something you love ♥ it will make the time easier to pass. We all need to be focused on the future and the exciting things that we have to look forward to doing when we are permitted."

Continue to spread positivity, hope, encouragement, and kindness to each other.

FLEXIBILITY & ADJUSTMENTS

During the COVID-19 response timeframe, it is suggested that we all consider a flexible schedule to respond to the rapidly changing social distancing requirements. As of Thursday, April 30, 2020, the OHSAA's No-Contact Regulation has been extended through May 31, 2020, the Ohio Department of Health's order to close all school facilities extends through June 30, 2020. There is every intent to make sure the No-Contact Regulation stays in place as long as the facility shutdown is in place. Though the current order for shutting school facilities is in place through June 30, we felt there would be a chance this could be pulled back to an earlier date. Putting the no-contact period in place through May 31, 2020 would provide flexibility in the event it would be. If it were pulled back to June 15 (example), the OHSAA's No-Contact Regulation would extend to that same date. If the shutdown remains in effect until June 30, the OHSAA's No-Contact Regulation will be extended to June 30 as well.

Our schedule will be fluid through this entire situation and you will be notified of any calendar changes as they happen. At this point, our schedule remains undisrupted and we are scheduled to start at the beginning of June unless the above mention happens.
