VOLLEYBALL

APRIL SHOWERS BRING MAY FLOWERS (& VOLLEYBALL)

by Chad Rutkowski, Head Coach

April has proven exactly what we had hoped, it has come and gone and we are officially 1 month away from Northview Volleyball.

35 days until our first summer practice | 89 days until Tryouts

As we look deeper into May, we are thankful for numerous things leading up to summer and leading up to the start of NVVB - we are thankful for our volleyball clubs and coaches, for our teachers and administration at Northview and for the year that will soon become a memory etched in our minds and a new school awaits on the horizon.

This past week, I had a few conversations with the members of the Class of 2022, and their message was simple - they want each and every individual in our program be engaged and start with NVVB right away in June. They are extremely excited about the start of the season and are hyper focused on the future while continuing the tradition of NVVB!

Continue to be safe and well. We will see each of you very soon!

If you already have an existing account, please sign in and make sure that all information is up-to-date and applicable for the 2021 season.

AT HOME WORKOUTS

As promised, your daughter has already received the "At Home Workout" regimen that can simply be done with no equipment. This is a great way to start preparing for the upcoming season. If you have any questions on this, please see the attachment in the E-mail with this newsletter as we will send it to you as well to help encourage that your daughter starts doing this. This is a crucial piece to our training and we are firm believers in setting up our athletes for success.

THURSDAY NIGHT SUMMER LEAGUE IN JULY

As we move closer to July, we wanted to give some preliminary information on the Northview Summer League hosted on Thursday nights in July at Premier Academy in Maumee. This league is run and managed by our program and is a great way to have weekly competition against other schools. This league will take place between 5:30 P.M. and 9:30 P.M. and the schedule will be released once all teams have registered.

All athletes will be communicated with whom they will be playing with on each night and rosters may vary based on needs for a particular night. We will have further communication our to our athletes by the end of June regarding this league.

SPIRIT WEAR

The 2021 Spirit Wear Order Form has already been delivered via E-mail to each family. Please review the content as soon as possible and send back the Excel spreadsheet that has been shared with you to complete your order. As stated earlier, we will only place orders for those that are on a final roster after August 1st Tryouts and all other orders will be deleted. WHAT'S NEW FOR 2021?

One of the most intriguing questions we receive each off-season is "so, what fun new things are planned for the next season?" Although we can not let all of our secrets out just yet, What we can tell you is the following:

- The 2021 schedule is tougher than the 2020 schedule... which was very tough! The 2021 Schedule can be found online by clicking here or can be accessed on all of our social media platforms.
- Our Promotion Schedule is coming together nicely with theme for each home match and giveaways for fans!
- Increased efficiency and technology in practice.
- An optional parent volleyball course and camp - learn all about volleyball and expand our overall knowledge of the sport.
- Team Meals on Friday's for all levels.
- Introduction of Summer Strength Training program to be done at home which has already been shared with your athlete.

Northview Volleyball is built on the following core values: Skill Development, Commitment, Sacrifice, Responsibility, Accountability, Dedication, and Perseverance.
