OHSAA BYLAW CHANGES FOR 2023

The Ohio High School Athletic Association has made significant bylaw changes that will impact our program this summer in a positive manner by expanding Summer Coaching Opportunities and Fall Start Date. This summer, Summer period will begin May 15 instead of June 1; number of coaching days moves from 10 to 13; fall sports practices may begin July 31 instead of August 1 with Tryouts.

How does this impact our program:

- 1. We will not start our summer programming until June 13th as stated. We feel it is imperative for our athletes to have much needed time off between club and high school season. In addition, we want our athletes to be 100% committed to their club teams and then be 100% committed to NVVB.
- 2. The calendar has been adjusted to add three (3) additional coaching days 2 at the end of June for Freshman only and 1 additional date in July for all grades.
- 3. Tryouts will take place on Monday, July 31st instead of August 1st as originally planned.

The calendar has been adjusted to reflect all of these changes.

Northview Volleyball is built on the following core values: Skill Development, Commitment, Sacrifice, Responsibility, Accountability, Dedication and Persevance

SUMMER CAMPS

We are excited to host an array of Volleyball Summer Camps at Northview for all athletes that range in age and experience through the Sylvania Rec. This year, we will have programs which are intended to attract the interest of young campers to introduce them to the game as well as programs that seek to focus on advance, specific skill instruction for advance and experienced players. Under the direction of Northview Head Coach, Chad Rutkowski, and his staff, each of our camps will focus on making better volleyball players in a fun, competitive environment. All sessions of Northview Volleyball Camps are open to any and all entrants, limited only by capacity and age/grade level.

We host these camps in addition to our now thirteen (13) permitted summer coaching days that we are allotted throughout the summer per the Ohio High School Athletic Association. Any changes to these summer camps will be communicated as they become available.

WEBSITE CONTENT

For the past couple of years, we have worked tremendously hard to maximize our resources and conserve the amount of waste that we have within our program. With that, we have digitized most of our materials and will share almost everything digitally with very little being sent in print form. This is always a chance for us to create some creative and innovative content which is exciting for the program. Please visit our website (<u>www.northviewwildcats.org</u>) and click on Team Files to access computer and mobile device backgrounds, daily checklist for athletes, links for match schedules only that you can share with family members.

We appreciate the support of going digital with most of our materials and hope that you will find them helpful and user friendly.

SPIRIT WEAR

The 2023 Spirit Wear Order Form will be delivered via E-mail to each family by May 1, 2023 and this will be talked about at the meeting on April 17, 2023.

We ask that each parent reviews the content as soon as possible and sends back the Excel spreadsheet that will be shared for you to complete your order. As we will stress moving forward, we will only place orders for those that are on final rosters after August 1st Tryouts and all other orders will be deleted and not fulfilled. Order will be placed immediately after July 31st Tryouts and payment for these items will be due on August 1, 2023. This ensures us that we have spirit wear with about 10 business days from ordering and that we will have all of our gear before the first match on August 19th.

More information on this will be presented at the meeting on April 17th.
