CATS CONTINUE TO IMPRESS

by Chad Rutkowski, Head Coach

This season has been amazing as ever and, on behalf of our staff, thank you for going down this journey together. This team continues to impress and be the talk of people I have the privilege of interacting with.

It's truly remarkable how quickly March and half of April have gone by and, here we are, almost 1/2 through the season. And, what a season it has been thus far. Our team currently sits at 6-2 with 3 more matches to complete this week, which will put us at the halfway point officially.

As coaches, we are proud of the early commitment to excellence and know that the program is going to continue to grow and build.

The rest of this season is FULL of great volleyball matches, and the bulk of our season with tailgates, fundraisers, and the end of the season quickly approaching.

As April passes, the season will wind down and we will bid farewell to our seniors who have truly laid a foundation for this program. We truly hope that we will have the support of all of our families and athletes throughout the duration of our season and appreciate all of the hard work that has gone into this season.

FUNDRAISERS

Each year, Northview Volleyball hosts a multitude of fundraisers to help raise additional support for our program to pay for the ongoing needs of our program as we continue to grow and invest in our athletes. All of these fundraisers need you and your networks to be successful and we appreciate your support and promotion of these events to make them successful. In addition, these are all on our Northview Volleyball calendar and will be posted on social media a couple of times leading up to that specific event:

- **Sunday, April 21, 2024** - Paddy Jack's Fundraiser from 4:00 P.M. to 8:00 P.M. Eat at Paddy Jack's (owned and operated by a NVVB Family) and 20% of all food sales, both dine-in, and carry-out, will come back to support Northview Volleyball. Thank to the Varwig family for making this annual event possible.
- Custom Water Bottle Sale Purchase a water bottle, tumbler, or other item and a portion of the proceeds comes back to NVBVB. These products are high quality and many of our families and coaches have these already. Click the image to the right to access and purchase online.

YOUTH SUMMER CAMPS

We are excited to host an array of Volleyball Summer Camps at Northview for all athletes that range in age and experience through the Sylvania Rec. This year, we will have programs that are intended to attract the interest of young campers to introduce them to the game as well as programs that seek to focus on advanced, specific skill instruction for advanced and experienced players. Under the direction of Northview Head Coach, Chad Rutkowski, and his staff, each of our camps will focus on making better volleyball players in a fun, competitive environment. All sessions of Northview Volleyball Camps are open to any entrants, limited only by capacity and age/grade level. For 2024, we will have girls-specific camps and separate boys volleyball camps (listed below).

Registrations will be available online in April by [clicking here](#) and will be available for registration this spring. Please be on the lookout for information surrounding these various camp opportunities.

APRIL 20TH - SATURDAY TAILGATE

On Saturday, April 20th, we will be hosting a Saturday tailgate in the parking lot to hang out and have some breakfast before our ONLY home Saturday match of the year. If you're able, please sign up to bring an item to share!

[Northview Boys Volleyball - Sign-up for a BREAKFAST TAILGATE - 4/20](#)

If anyone has any extra EZ-ups or chairs, please bring them along! This is a great way to gather socially and enjoy before our only Saturday home match of the year.

WEBSITE CONTENT

For the past couple of years, the Girls Volleyball program has worked tremendously hard to maximize our resources and conserve the amount of waste that we have within our program and we will bring the same amount of effort to the boys program. With that, we have digitized most of our materials and will share almost everything digitally with very little being sent in print form. This is always a chance for us to create some creative and innovative content which is exciting for the program.

We appreciate the support of going digital with most of our materials and hope that you will find them helpful and user friendly.
