

Dear Business Owners,

The Northview Softball Program would like to purchase a windscreen for our home field at Veterans Memorial Field. Our baseball program currently has one installed at their field and it looks amazing! I have included a picture that displays a portion of their windscreen. This windscreen will cover the home run fence from corner to corner. It will be displayed for the next five years from March to October. Not only will our Northview softball families be able to view this windscreen, but the fields are also used by Sylvania Recreation teams, Sylvania Fusion travel softball as well as the Mavericks travel baseball program. Most programs sell a vinyl banner at the rate of \$250/ sport season. We are asking for a donation of \$1000. This would be like purchasing a banner for four years and earning a year for free! Even better this will be displayed not only one sport season, but the spring, summer and fall sport season at a venue that is utilized by multiple athletic programs and is open daily to the public. We will also share your business on our Northview Athletics website and multiple facebook accounts and encourage our families to promote and spread the word of your businesses kindness.

If you would like to take part in making our girls field beautiful and promoting your business or you have additional questions, please reach out to me at your convenience.

Sincerely,

Charlene Garn
