Where: Central Davidson High School

When: June 13th– 15th

A Message from the Coaching Staff

We would also like to take the time to invite your son to attend our 21st annual Spartan basketball camp. Youth basketball is a vital part to our program here at Central Davidson. These young men and women will someday be the backbone to our program. What these young men and women learn early on is very important to their development as players. Players are made from April to October and championships are won from November to March. We feel like we have a fine staff with many years of experience that will greatly benefit your child. Basketball is a game of fundamentals, and during the next two days we will work extremely hard to enhance your child's skills as well as giving them drills that can be use in the off-season. . We think the future looks bright and look forward to working with the young men and women in our community and carrying on the winning tradition of Central Davidson Basketball

Sincerely,

Brian Hege, Camp Director

Central Davidson Basketball
