A Message from the Coaching Staff

We would like to take the time to invite your son/daughter to attend our annual Black Knights Basketball Camp. Youth basketball is a vital part to our program here at North Davidson. These young men and women will someday be the backbone to our program. What these young men and women learn early on is very important to their development as players. Players are made from April to October and championships are won from November to March. We feel like we have a fine staff with many years of experience that will greatly benefit your child. Basketball is a game of fundamentals, and during the next three days we will work extremely hard to enhance your child's skills as well as give them drills that can be used in the off-season. We think the future looks bright and look forward to working with the young men and women in our community and carrying on the winning tradition of Black Knights Basketball.

Sincerely,

Brian Hege, Camp Director

Black Knights Basketball

Registration Form

**Please register early to secure a spot,
registering the day of camp is accepted.**
