Welcome to an exciting new year!

Co-curricular participation is a privilege and an integral part of education. Over 70% of our students participate in educational athletics have better daily attendance, a lower usage rate of controlled substances, and fewer disciplinary problems.

Here at East we are very proud of our 142 state championships. We also know it's our community that has been responsible for our success. Many volunteers each year support our programs and get involved in helping us maintain our Tradition of Excellence. Team Boosters, through fund raising, allows us to maintain our programs at a high level of competitiveness.

As we enjoy our contests throughout the year we remind you that the spirit of sportsmanship and fair play is an important part of competition. We thank you for your support and hope you enjoy all the activities throughout the year.

EGR team boosters

In 2020-2021, more than 600 student-athletes participated in our 34 varsity and club sports teams. They had fun, developed lasting friendships and won three more state championships for East Grand Rapids along the way!

Team Boosters supports ALL of our student-athletes by providing funding for uniforms, equipment, medical/training support and facilities maintenance needs that exceed the budget of the high school athletic department. Last year, 800 Team Boosters volunteers worked in the concession stands, sold Christmas trees, hawked raffle tickets and worked at our golf outing. Together we raised and donated in excess of \$80,000 for our athletes. Please consider a Team Boosters membership... "For the kids!"
