1. Students, go to this link: [Student Central](#)
2. Students, type in your school email and password. (If you have never set up your account, your password will be **bigteams**)
3. Once you are in, link a parent email immediately.
4. Now you can fill out the required athletic forms.

If you played a fall sport and went through this process already, you don't have to do it again!

If you have any questions about the process, you can contact the athletic office or go to www.ergreyhounds.com and go to the high school tab for some help documents.

Athletic Fees and Physicals

Eaton Rapids High School is charging \$180 one-time fee to participate in High School Sports for the 2023-2024 school year. This \$180 fee is per student and is assessed one time per year for athletes in all Freshman, Junior Varsity and Varsity level sports. If your son/daughter is playing Hockey, Water Polo, or Bowling, there will be additional fees. The fees collected are used to help fund such things as transportation, officials, coach's salary, equipment, and uniforms. **Again, if you paid the \$180 fee in the fall for Varsity, JV, and/or Freshmen sports, you do not have to pay again.**

Fees will be assessed through your Student Central account. You can pay it through the account, or you can pay it by cash or check (made out to ER Athletics or ERHS) in the High School athletic office. **Fees must be made before the first game and/or meet.** If you need financial assistance you may apply [HERE](#) and fill out the second page of this form and return it to the Athletic Department. The Athletic Department will be accepting fees anytime in the HS Athletic Office.

Physicals must be on file in order to tryout/participate on the first day. Physicals must be dated on or after April 15th, 2023. The MHSAA form can be downloaded at this link: [MHSAA Physical Form](#). We also have copies in the athletic office
