RE: Spring Sports

Happy almost spring! Even though we may not get to the good weather just yet, it is getting closer! Below is registration information (if you're playing a sport for the first time this year, tryout information, and contact information for coaches.

Spring Sports begin on March 11th. We offer Baseball, Softball, Girls Soccer, Track and Field, Boys Golf, Girl's Tennis, and Water Polo (w/Mason). You must have a physical on file to participate dated April 15th, 2023 or later. If you played a sport this year at the high school, you do not need another physical this year.

All Athletes must have an account on **Bigteams (Student Central)** in order to participate. Students should already have one, and parents must have separate accounts. [Go to this link](#). Students should sign in first using their school email as their username and the password: **bigteams**. The next step is to link your parents account with their email. It's that simple! From there you can upload your physical, fill out required preparticipation forms, and pay your fee. We can also take your fee by check in the athletic office.

If you have any questions or run into any problems, please feel free to reach out to my assistant Sam O'Connell at soconnell@erpsk12.org or 517-663-5151

Eaton Rapids High School will be charging a **\$180** athletic fee for the 2023-2024 school year. This \$180 fee is per student and is assessed **one time** per year for athletes in all Freshman, Junior Varsity and Varsity level sports, but excludes Hockey and Bowling. The fees collected are used to help fund such things as transportation, officials, coach's salary, equipment and uniforms. If you have paid the fee this year, you do not have to pay again.

Scholarships, Payment plans, and Booster help are available. Please contact the Athletic Office for information.

Participation fees are due prior to the first contest.
