- IN A NORMAL YEAR athletes would ride the bus to and from meets. THIS YEAR it is not possible for all of us to ride the bus due to COVID regulations. Some athletes will have to provide their own transportation. Permission slips will be sent out through the athletic office. Athletes must be ready to run with uniforms and warm ups on **prior** to getting on the bus. No one may leave a meet without having consulted the Head Coach **PRIOR** to the meet. - Athletes must conduct themselves respectfully at meets.
- Athletes are to take care of themselves both mentally and physically. That means they are to eat well balanced meals, **HYDRATE**, get plenty of rest and not jeopardize their ability to perform on the team. Athletes are expected to present themselves in a manner that represents the team and the school in a positive way.
- **All injuries must be reported to a Coach and to the Athletic Trainer immediately.**

### Making the team

- In the past track and field has generally been a “no cut” sport. Due to meet entry limits and stadium limits all athletes may not be able to participate in meets. We will know more once we know how many athletes tryout for the team and have clear guidance on meet entries.
