

## GIRLS VARSITY BASKETBALL VS. CENTURY BENCHMARKS/RECORDS BY 2015-2016 TEAM

**Date Posted:** Feb 23, 2016

**Game Date:** Feb 24, 2016

Individual and team records for the Falls Church basketball team are virtually impossible to confirm due to missing statistics from every previous decade. Regardless, discussions with former coaches and players and more diligent record keeping in the past four years allow us to establish the following “Century Benchmarks” achieved by the 2015-2016 team and the careers of the players who comprised it. For each category listed, an extremely high degree of confidence is attached to assert that the value is tops for any Falls Church girls basketball team from 2000-2016; however, this does not mean that it is an all-time record. An asterisk attached to the value denotes a high degree of confidence that this indeed is an all-time record for the school.

### Team Records:

Most victories, season	14*
Fewest losses, season	10
Highest winning percentage, season	0.56
