FARMINGTON ATHLETICS / ACTIVITIES CONSENT FORM

Student's Name		
	ENT SAFETY AND RISK FACTORS exam prior to participating in sports, cheer, knightline, winter guard, or color guard. Th https://www.mshsaa.org/SportsMedicine/prepartPhysEvalForm.aspx	e

MSHSAA approved literature concerning concussions (recognition of symptoms, treatment, return to play procedure) can be found at the following link.

http://www.mshsaa.org//resources/pdf/2013%20Parent%20Concussion.pdf

Furthermore, I acknowledge that it is the responsibility of the player/family to notify the training staff if the student has been diagnosed and/or treated for a concussion in the past 365 days AND did not start and/or successfully complete the MSHSAA Return to Play Protocol.

Exertional Heatstroke (EHS) is the leading cause of preventable death in high school athletics. Students participating in high-intensity, long-duration or repeated same-day sports practices and training activities during the summer months or other hot-weather days are at greatest risk. Following the guidelines in "A Guide to Heat Acclimatization and Heat Illness Prevention" can reduce the risk and incidence of EHS.

https://www.mshsaa.org/HeatHydrationRecs.aspx

When participating in any type of activity, there is always a possibility that an injury can occur. In severe cases of strains, sprains and contusions, the athlete may miss a large amount of time participating in his or her activity. Some severe injuries may need to be surgically re-paired and require an extended period of physical therapy. Participants can also experience more serious injuries such as fractures, dislocations, concussions, internal injuries, spinal injuries, or death.

EIGIBILITY REQUIREMENTS

All Eligibility Requirements are listed in the MSHSAA Handbook www.mshsaa.org (click on "Official Handbook") and the Farmington R7 Student Activities Handbook www.fsdknights.com (scroll to the bottom of the page, click on "Publications", then click "Activities"). If you need a hard copy of either handbook contact the High School Activities Office. Some requirements include:

- HS must pass 5.0 credits, at least 1.0 credits on the FHS campus, to be eligible the following semester.
- HS must be currently enrolled in 5.5 credits, at least 1.0 credits on the FHS campus, to be eligible in the current semester.
- MS cannot fail more than one class the previous grading period, and must be enrolled in a full schedule, to be eligible.
- Conduct involving law enforcement must be reported to the activities director immediately (by the end of the next school day
 or before your next contest, whichever comes first). This includes uncompleted court appearances and penalties, all special
 conditions of probation, unpaid fines, etc. Failure to report any of these may affect contest outcomes and the student shall be
 ineligible for up to 365 days from discovery, pending review by the MSHSAA Board of Directors.
- Usage or possession of drugs, alcohol, or tobacco, inside or outside of school, in season or out, will result in disciplinary action.
- It is the parent and student's responsibility to be aware of, and follow, ALL requirements in the current edition of both the MSHSAA and Farmington R7 Student Activities Handbook.

Impact testing

I give permission to have a baseline and, if necessary, a post-concussion ImPACT (Immediate Post-concussion Assessment and Cognitive Testing), administered by the Farmington R-7 School District. I understand that my child may need to be post-tested more than once, depending on the results of the test, as compared to my child's baseline test. I understand by child's baseline test will be on file at the Farmington Athletics & Activities Office. I understand that there is no charge for the testing. Farmington School District may release the ImPACT results to my child's primary care physician, neurologist, school athletic trainer, or other treating physicians. I understand that general information about the test data may be provided to my child's guidance counselor and teachers, for the purpose of providing temporary academic modifications, if necessary.

WEBSITE PHOTOGRAPH POSTING PERMISSION

I acknowledge that as a member of an Athletic or Activities Team my son/daughter may have their picture posted on the Farmington Athletic and Activities Website (www.fhsknights.org). These may include team photos and/or photos of other team activities (camps, practices, games, etc). Pictures on this website may be taken by local photographers who have then submitted the pictures to the FHS Athletics and Activities Office for approval. Only pictures approved by the FHS Athletics and Activities Office will be posted on the website.

MEDICAL HISTORY				
Note: Complete and sign this form (with your parents if younger than 18) before your appointment. The physician should keep a copy of this form in the chart for their records.				
Note: An injury or medical condition results in a separate medical release.				
Name:	Date of Birth:			
Date of examination:				
	11 17 10/51	4 (1)		
Sex assigned at birth (F, M or intersex):	How do you identify your gender? (F, N	(I or other):		
List post and aurent medical conditions:				
List past and current medical conditions:				
Have you ever had surgery? If yes, list all past surgical procedures:				
Trave you ever riad surgery: If yes, list all past surgical procedures.				
Medicines and supplements: List all current prescriptions, over-the-counter medicines and supplements (herbal and nutritional):				
Do you have any allergies? If yes, please list all of your allergies (i.e., medicines, pollens, food, stinging insects):				

PATIENT HEALTH QUESTIONNAIRE VERSION 4 (PHQ-4)

Over the last 2 weeks, how often have you been bothered by any of the following problems (circle response).

	Not at All	Several Days	Over Half the Days	Nearly Every Day
Feeling nervous, anxious or on edge:	0	1	2	3
Not being able to stop or control worrying:	0	1	2	3
Little interest or pleasure in doing things:	0	1	2	3
Feeling down, depressed or hopeless	0	1	2	3

A sum equal to or greater than 3 is considered positive on either subscale (questions 1 and 2, or questions 3 and 4) for screening purposes.

MAKE A COPY FOR YOUR RECORDS AND THEN TURN THIS FORM IN TO YOUR COACH OR THE AD OFFICE

Explain "Yes" answers at the end of this form. Circle questions if you don't know the answer.

GENERAL QUESTIONS	Yes	No
	163	140
Do you have any concerns that you would like to discuss with your provider?		
Has a provider ever denied or restricted your participation in sports for any reason?		
3. Do you have any ongoing medical issues or recent illness?		
HEART HEALTH QUESTIONS ABOUT YOU	Yes	No
Have you ever passed out or nearly passed out during or after exercise?		
Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?		
6. Does your heart ever race or skip beats (irregular beats) during exercise?		
7. Has a doctor ever told you that you have any heart problems?		
Has a doctor ever ordered a test for your heart? (For example, electrocardiography (ECG) or echocardiography?		
Do you get light-headed or feel shorter of breath than your friends during exercise?		
10. Have you ever had a seizure?		
HEART HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No
11. Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 35 (including drowning or unexplained car crash)?		
12. Does anyone in your family have a genetic heart problem such as hypertrophic cardiomyopathy (HCM), Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy (ARVC), long QT syndrome (LQTS), short QT syndrome (SQTS), Brugada syndrome or catecholaminergic polymorphic ventricular tachycardia (CPVT)?		
13. Has anyone in your family had a pacemaker or an implanted defibrillator before age 35?		
BONE AND JOINT QUESTIONS	Yes	No
14. Have you ever had a stress fracture or an injury to a bone, muscle, ligament, joint or tendon that caused you to miss a practice or game?		
15. Do you have a bone, muscle, ligament or joint injury that bothers you?		

MEDICAL QUESTIONS	Yes	No
16. Do you cough, wheeze, or have difficulty breathing during or after exercise?		
17. Are you missing a kidney, an eye, a testicle (males), your spleen or any other organ?		
18. Do you have groin or testicle pain or a painful bulge or hernia in the groin area?		
19. Do you have any recurring skin rashes or rashes that come and go, including herpes or methicillin-resistant Staphylococcus aureus (MRSA)?		
Have you had a concussion or head injury that caused confusion, a prolonged headache or memory problems?		
21. Have you ever had numbness, had tingling, had weakness in your arms or legs, or been unable to move your arms or legs after being hit or falling?		
22. Have you ever become ill while exercising in the heat?		
23. Do you, or does someone in your family, have sickle cell trait or disease?		
24. Have you ever had, or do you have, any problems with your eyes or vision?		
25. Do you worry about your weight?		
26. Are you trying to, or has anyone recommended, that you gain or lose weight?		
27. Are you on a special diet or do you avoid certain types of foods or food groups?		
28. Have you ever had an eating disorder?		
FEMALES ONLY	Yes	No
29. Have you ever had a menstrual period?		
30. How old were you when you had your first menstrual period?		
31. When was your most recent menstrual period?		
32. How many periods have you had in the past 12 months?		

IF "YES," EXPLAIN ANSWERS HERE	

I hereby state that, to the best of my knowledge, my answers to the questions on this form are complete and correct.

TURN THIS FORM IN TO YOUR COACH OR THE AD OFFICE - DO NOT TURN IT IN ANYWHERE ELSE

PARENT PERMISSION (Authorization for Treatment, Release of Medical Information, and Insurance Information)

Informed Consent: By its nature, participation in interscholastic athletics includes risk of serious bodily injury and transmission of infectious disease such as HIV and Hepatitis B. Although serious injuries are not common and the risk of HIV transmission is almost nonexistent in supervised school athletic programs, it is impossible to eliminate all risk. Participants must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. PARENTS, GUARDIANS, OR STUDENTS WHO MAY NOT WISH TO ACCEPT RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM. STUDENTS MAY NOT PARTICIPATE IN MSHSAASPONSORED SPORT WITHOUT THE STUDENT'S AND PARENT'S/GUARDIAN/S SIGNATURE.

I understand that in the case of injury or illness requiring transportation to a health care facility, a reasonable attempt will be made to contact the parent or guardian in the case of the student-athlete being a minor, but that, if necessary, the student-athlete will be transported via ambulance to the nearest hospital.

We hereby give our consent for the above student to represent his/her school in interscholastic athletics. We also give our consent for him/her to accompany the team on trips and will not hold the school responsible in case of accident or injury whether it be en route to or from another school or during practice or an interscholastic contest; and we hereby agree to hold the school district of which this school is a part and the MSHSAA, their employees, agents, representatives, coaches, and volunteers harmless from any and all liability, actions, causes of action, debts, claims, or demands of every kind and nature whatsoever which may arise by or in connection with participation by my child/ward in any activities related to the interscholastic program of his/her school.

In the event of an emergency or when the Parent(s) or Guardian is unable to directly supervise health care services needed by the student for injuries or illnesses sustained at any athletic practice, conditioning exercise or contest, I also give my consent to the rendering of necessary health care services for the student by a qualified provider (QP) covering the athletic practice, conditioning exercise or contest, including an athletic trainer, physician, physician assistant, nurse practitioner or other medically-trained professional licensed by the State of Missouri (or the state in which the student injury or illness occurs) and who is acting in accordance with the scope of practice under their designated state license and any other requirement imposed by state law. In emergency situations, the QP may also be a certified paramedic or emergency medical technician for the purpose of providing emergency health care and transport. Health care services are defined as services including, but not limited to, evaluation, diagnosis, first aid, emergency care, stabilization, treatment and referral. I further authorize the QP who provides such health care services to disclose such information about the student's injury or illness, diagnosis, care and treatment in the professional judgment of the QP to the student's athletic director, coaches, school nurse and any classroom teacher required to provide academic accommodation to assure the student's recovery and safe return to activity. If the Parent(s) or Guardian believes that the student is in need of further evaluation, treatment, rehabilitation or health care services for the injury or illness, the student may be treated by the physician or provider of his or her choice.

To enable the MSHSAA to determine whether the herein named student is eligible to participate in interscholastic athletics in the MSHSAA member school, I consent to the release of any and all portions of school record files to MSHSAA, beginning with seventh grade, of the herein named student, specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, academic work completed, grades received, and attendance data.

We confirm that this application for the above student to represent his/her school in interscholastic athletics is made with the understanding that we have studied and understand the eligibility standards that our son/daughter must meet to represent his/her school and that he/she has not violated any of them. We also understand that if our son/daughter does not meet the citizenship standards set by the school or if he/she is ejected from an interscholastic contest because of an unsportsmanlike act, it could result in him/her not being allowed to participate in the next contest or suspension from the team either temporarily or permanently.

I consent to the MSHSAA's use of the herein named student's name, likeness, and athletic-related information in reports of contests, promotional literature of the Association and other materials and releases related to interscholastic athletics.

We further state that we have completed that part of this certificate which requires us to list all previous injuries or additional conditions that are known to us which may affect this athlete's performance or treatment and we certify that it is correct and complete.

The MSHSAA By-Laws provide that a student shall not be permitted to practice or compete for a school until it has verification that he/she has basic health/accident insurance coverage, which includes athletics. Our son/daughter is covered by basic health/accident insurance for the current school year as indicated below:

STUDENT AGREEMENT (Regarding Conditions for Participation)

This application to represent my school in interscholastic athletics is entirely voluntary on my part and is made with the understanding that I have studied and understand the eligibility standards that I must meet to represent my school and that I have not violated any of them.

I have read, understand, and acknowledge receipt of the MSHSAA brochure entitled "How to Maintain and Protect Your High School Eligibility," which contains a summary of the eligibility rules of the MSHSAA. (I understand that a copy of the MSHSAA Handbook is on file with the principal and athletic administrator and that I may review it in its entirety, if I so choose. All MSHSAA by-laws and regulations from the Handbook are also posted on the MSHSAA website at www.mshsaa.org).

I understand that a MSHSAA member school must adhere to all rules and regulations that pertain to school-sponsored, interscholastic athletics programs, and I acknowledge that local rules may be more stringent than MSHSAA rules.

I also understand that if I do not meet the citizenship standards set by the school or if I am ejected from an interscholastic contest because of an unsportsmanlike act, it could result in me not being allowed to participate in the next contest or suspension from the team either temporarily or permanently.

I understand that if I drop a class, take course work through Post -Secondary Enrollment Option, Credit Flexibility, or other educational options, this action could affect compliance with MSHSAA academic standards and my eligibility.

I understand that participation in interscholastic athletics is a privilege and not a right. As a student athlete, I understand and accept the following responsibilities:

- I will respect the rights and beliefs of others and will treat others with courtesy and consideration.
- I will be fully responsible for my own actions and the consequences of my actions.
- I will respect the property of others.
- I will respect and obey the rules of my school and laws of my community, state, and country.
- I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state, and country.

I have completed and/or verified that part of this certificate which requires me to list all previous injuries or additional conditions that are known to me which may affect my performance in so representing my school, and I verify that it is correct and complete.

Signature of Athlete:	Date:	
PARENT AND STUDENT SIGNATURE (Concussion Materials)		
I accept responsibility for reporting all injuries and illnesses to my school and medical staff (athletic trainer/team physician) including any signs and symptoms of a CONCUSSION. I have received and read the MSHSAA materials on Concussions, which includes information on the definition of a concussion, symptoms of a concussion, what to do if I have a concussion and how to prevent a concussion. I will inform my school and athletic trainer/team physician immediately if I experience any of these symptoms or if I witness a teammate with these symptoms.
