

# The Falcon Booster Club

The Falcon Booster Club is a non-profit association that supports the **student athletes** of Fauquier High School. We are a group of **community, school, and family members** who support the efforts of the FHS athletic program by time, talents, and financial support to enhance the opportunities for each team and athletes.

Meetings are usually held the fourth Monday of each month in the school library and are **open to everyone**. These meetings are a great way to keep informed about what's going on with the sports programs at FHS.

Volunteers are **vital** to the success of the Club. While not a requirement of membership, we invite all members to participate in our events to support the Club. Some opportunities include:

- Concessions • 50/50 Raffle • Major Fundraiser
- Sports Awards Receptions • Virginia Gold Cup
- International Races at Great Meadow

The Booster Club is dedicated to providing the athletes, coaching staff, and school administration with the necessary **financial and personal support** required for an effective program. The Booster Club extends its **support to every athletic team** sponsored by Fauquier High School.

### Recent donations/purchases include:

- **Scholarships** to senior athletes
- Contribution toward **Old Tennis Court Refurbishment Project**
- Contribution toward **2020 Wrestling State Championship Rings**
- Contribution toward **“Take Off System” for Track**
- Purchase of **Championship T-Shirts for Girls Basketball Team**
- Contribution toward **Trainer Tables for the Weight/Training Room**
- Subscription to **Hudl video editing program** for all teams

The Booster Club dues and donations help make all of this possible!

*With your support we will be able to continue to provide support to our athletes and programs.*
