Meeting Minutes
September 28, 2009

- I. Call to Order: The meeting was brought to order by President, Debbie Henson.
- II. Administrative Business: President Henson read a Thank You note the club received from Brian Grimley for purchasing the AED machine.

President Henson noted that she had attended a Parent Support Group meeting in Mr. Sites' office on September 3, 2009 along with the Band Boosters and the PAC President. They decided to meet monthly to share thoughts as a group as to how to best help the students at FHS. The group discussed spirit items which the band boosters will sell and the band boosters indicated that if we wanted a certain item to be sold to please let them know. We will continue to sell the hats, lanyards and other spirit items we currently are selling. The band boosters will sell the clothing items. The band boosters were asked to consider the possibility of selling concessions if we find that we have a sport we cannot cover.

Terri Shaw has corresponded with Dave Meadows concerning the Sonny Utz scholarship fund which is no longer going to be in the club's name. Terri will remove it from our books.
