Ram Boosters meetings are usually held at 6:30pm on the 4<sup>th</sup> Monday of every month, August through June, in the Flat Rock High School Library. Any changes in date, time or location will be emailed to members and will appear on the Flat Rock Ram Boosters Facebook page.

## **FLAT ROCK RAM BOOSTERS**

The Flat Rock Booster Club gives sports that extra boost. We help purchase items for the High School and Junior High School when needed. In the past years we have purchased or contributed to items such as:

1. Middle School Softball fence
2. \$1000 scholarships annually for graduating student athletes (boy and girl)
3. Basketballs
4. Middle School baseball and softball uniforms and equipment
5. Batting helmets and indoor cages
6. Pitching machine for baseball and softball
7. Middle School volleyball uniforms and equipment
8. Volleyball Air Cat machine
9. Wrestling mats, and scales
10. Track timing system
11. Cheerleading competitive mats
12. Football equipment and helmets
13. Bleachers for the middle school baseball/softball fields
14. Gym banners
15. Scorers tables
16. Concessions stand, restrooms, and pavilion at the Marvin Mittlestat Football Field
17. Goal post wraps
18. New scoring system and basketball hoops and backboards for Simpson
19. Upgraded the protective mats in Simpson's gym
20. Padded FR Ram chairs used in the gyms
21. Provide team awards for end of season celebrations
22. Contribute to the Hall of Fame

Where the money comes from: memberships, donations, fundraisers, food concessions and FR Ram apparel sales. The group oversees the concessions for football seasons. A portion of the profits remain with the Boosters while the majority of those profits are earned by the team operating the concessions. We truly "give sports that extra boost"

Meetings are typically held the 4<sup>th</sup> Monday of the month at 6:30 p.m. in the Media Center at Flat Rock Community HS. Email reminders are sent out to members and are posted on the Flat Rock Ram Boosters Facebook page.

Family involvement helps us succeed and enables us to help our teams.
