  - a. Pull up the form then print it, you and your student sign it, take a picture of the entire form, email it to yourself, download it, and finally put that file in where it says “CHOOSE FILE” .....OR,
  - b. Pull up the form (it is an Adobe Acrobat .PDF file) and on the toolbox at the top of the form on the right, click on “Fill and Sign.” Then click on “Place Signature.” A box will pop up, click on the choice “Draw My Signature” and in the area provided, use your mouse pad and draw your signature with your finger. Your signature is now saved and moveable and you can drag it and place it into the document on the signature line.
