May 14, 1974: Glendale 5 at Harmony

CHERRY TREE — In his previous four outings, Glendale pitcher Jeff Bloom had been touched up by enemy batters to the tune of 37 hits in 28 innings, but yesterday was his day as the Viking senior stopped the Harmony Owls 5-0 on a one-hit shutout, his second win in the Moshannon Valley League.

Bloom's ERA prior to his one-hit gem was 4.50 but past performances meant nothing when he took the mound at Harmony and he had the Owl batters baffled. The senior hurler struck out six, walked only two and gave up a lonely single to the Owls' number two batter, Rick Loman.

Glendale, meanwhile, was getting the big hits offensively, including homers by Edsel DeLorme and Brian Lightner.

With one out in the top of the first DeLorme jumped on starter and loser, Randy Oakes, for an opposite field roundtripper, his first extra base hit of the season.

In the second Lightner opened the frame with a solo shot, followed by Mike Harpster's single. Bob Lender forced Harpster at second but came in to score on a passed ball, a stolen base and a bad throw by the Owl catcher that went into left-field.

Glendale, which is now 3-5 on the year for Coach John Kauffman, picked up run number four in the fifth inning when Ed Lender doubled and Scott Laing singled him home.

The Vikings picked up an insurance run in the seventh

when Ed Lender and DeLorme walked and pulled off a double steal. Laing then picked up his second RBI of the game with a sacrifice fly to right.

Pitching problems continued to plague the Owls as Ken Brown had to call on four hurlers to stop the Vikes. Oaks lasted only two innings before Loman came in. Loman held Glendale to one run in four innings before he was yanked for Brian Romagna in the seventh. Romagna picked up two outs before Joe Westover bailed him out.

Harmony's season ended at 2-8, two games better than last year's 0-10 mark, but not good enough to get out of the MVL cellar. The Vikings have make-up games with Mo Valley and Clearfield St. Francis but as of yet no dates have been announced.
