GLMS COMPETITIVE CHEER CODE OF CONDUCT

All of the middle school academic and athletic rules concerning eligibility requirements and the use of illegal substances are in effect for our program.

In addition, we have established the following rules to maintain the safety, professionalism, and the pride that are essential to GLMS competitive cheer. By signing and returning the attached form, you are agreeing to abide by these rules and all cheer coach decisions. These rules are intended to help guide athletes in responsible, ethical, and moral decision-making. We believe these rules help foster good communications skills, time management, and team building. The rules will be enforced at the discretion of the coach.

Competitive Cheer Team members will not be allowed to practice or participate in a competition if they are:

- Wearing jewelry (this is ALL jewelry, including all body piercing)
- Chewing gum or eating
- Not dressed properly (athletic shoes, appropriate shorts and t-shirts)
- Out of uniform or in a dirty uniform for a competition
- Wearing fake nails or having nails longer than safety rules allow

Competitive Cheer Team members will be required to sit out of a competition or a portion of a competition for:

- Excessive talking, disruptions, or inappropriate behavior during practice or competition
- Being late to or leaving practice early without a valid written excuse
- Being late to practice two times due to an after school detention
- Being late to a competition
- Wearing fingernail polish, any illegal makeup or hair devices to a competition
- Using obscene or vulgar language at any time (including facebook, twitter, online etc.)

Competitive Cheer Team members will automatically sit out at least one competition for:

- An unexcused absence from a practice or a competition
- Missing the practice the day before a competition
- Skipping class
- Not cooperating with coaches, teachers, administrators, or officials

Competitive Cheer Team members will be asked to turn in their uniform and dismissed from the team:

- If they miss ½ of the practices or competitions due to suspension or illness

Suspension from a competition requires the individual to attend in uniform and sit with the coach or team for the entire competition.

The coaching staff may establish additional rules as deemed necessary to run the team in an effective way.

Practices will be held during the week with Competitions on Saturdays. Athletes are expected to be at every practice and competition. Competitive Cheer also practices during holiday breaks.
