ARTWORK:

When submitting artwork for your ad. . . please submit it in the proper format listed above for the size ad you are buying. If possible ads should be supplied as digital files (PDF) and emailed directly to marybeth@kisnercommunications.com OR if you do not have an ad already prepared that can be emailed, please attach your LOGO art file to the email (do not embed it in a WORD doc and send a Word file). Also, please provide in the email any other important information you would like to include in the ad.

If you only have a business card to offer for artwork, we will scan it and place it but it will not provide the best outcome. If you have further questions on your ad layout and design, please send an email to marybeth@kisnercommunications.com for clarification.
