

# 7th-12th Grade Athletic and Non-Athletic Participation Fees 2023-2024

Holt Public Schools uses a Pay-to-Participate model, which allows us to maintain the current level of sports and extra-curricular programming. The following participation fee schedule will be used for the 2023-2024 school year for Junior and Senior High students.

- These are District fee schedules and do not preclude individual groups/activities from charging additional fees.
- Students will only be charged once per year (multi-sport athletes will pay only one fee) for Athletics and/or once per year for Non-Athletics. If a student is involved in both Athletics and non-Athletics, they will pay two separate fees.
- All fees are non-refundable.
- In an effort to accommodate families with multiple students, and students in multiple sports, the District has put forth a varied payment plan. The District and our staff will make every effort to adhere to the schedule and minimize the cost to families. The District also acknowledges that families will have to monitor total costs to minimize their charges. Please work with your building secretary to develop a payment plan as needed.
- If you qualify for reduced fees or have questions, please contact one of the people below.
