Judy Richmond was a well-respected Science teacher and coach in the Aledo School District who lost her fight against breast cancer in January, 2004, at the age of 54.

When Title IX was initiated in the mid-1970s, Judy became the first ever coach of the Aledo Green Dragon volleyball program. She continued to coach until 1989, producing many winning seasons and championships.

Judy always had a positive attitude and expected her students and athletes to have one, too. She is a member of the Aledo Hall of Fame (inducted 2004).

For many years, Judy's husband, Kurt, represented her at this event and awarded the trophies. This year, due to Kurt's own cancer, he is unable to attend, but wishes all players and coaches the best of luck. He knows Judy would have been very proud of this tournament and the fact that it is named after her.
