Avery Condon (F)

Avery,

We can't believe the time has come, time to say goodbye to all the years of Hockey and great memories. I can remember the first day you stepped onto the ice as a Henniker Husky. Your Dedication, Determination and Passion for the sport was evident from Day 1! Wherever you go and whatever you do, hold onto those 3 traits and make it a "Hattrick" for Life! We couldn't be more proud of you and who you've become over the years. We love you Avo and know you will be the best at whatever you do!!

All our Love, Mom, Dad & Abby

#32

Colton Murphy (D)

Colton,

We can't believe that this is your last year of high school hockey! It has been a source of enormous joy for us to watch you, your brother and your cousins play this sport that you love – and make wonderful memories together – that will last a lifetime. You have developed into such a strong, smart, loyal, and handsome man. We couldn't be more proud of you!!! Your hard work, dedication, and accomplishments both on and off the ice are truly impressive. We will greatly miss getting to watch you play hockey, but we can't wait to see what the future brings for you so much!!!!

We love you so much!!!

Mom, Dad, Fin, and Huckleberry

#24 C

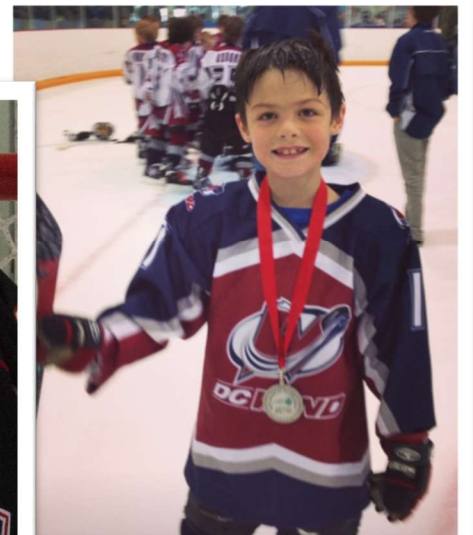

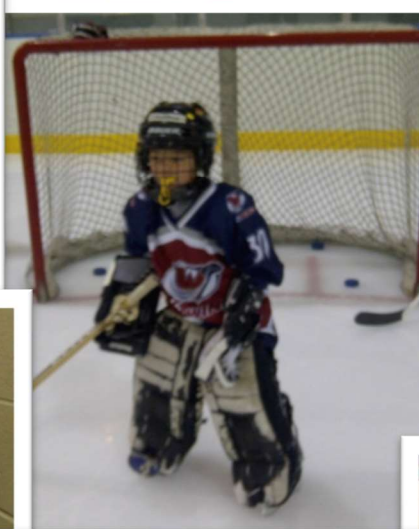

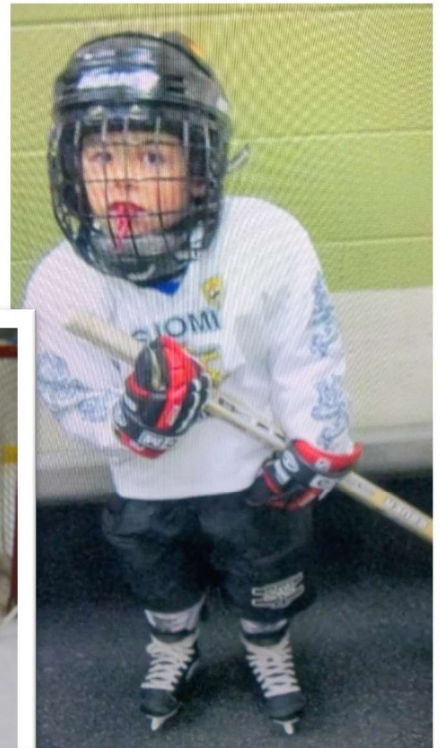

Thaddeus Maughan (D)

Thaddeus,

There is no doubt, the 10 minute shift proved you were the Hungriest Husky. We have loved watching you play from the Olympic oval with the DC Wind to the General Hawks. That parachute training really paid off.

Best of luck your Senior Year.

*Love,
Mom and Dad, Thayer, Madeleine and Mary*

#10 C

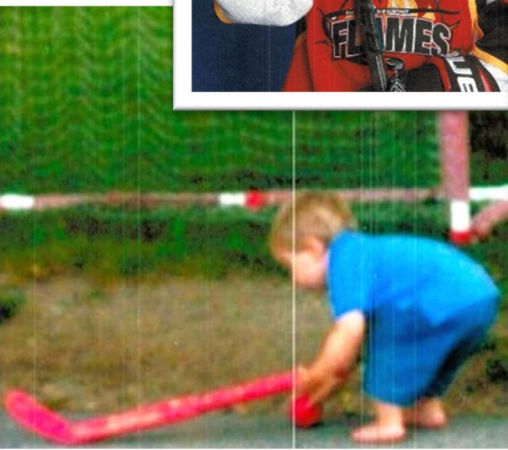

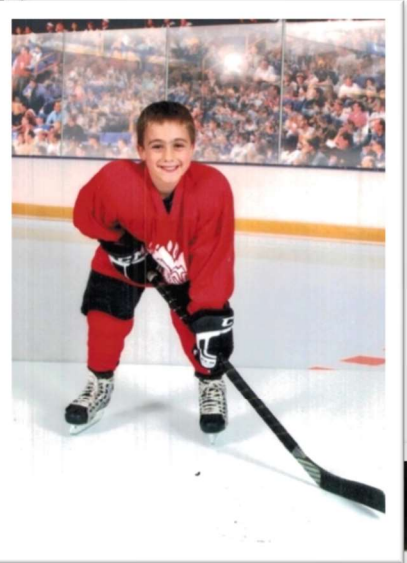

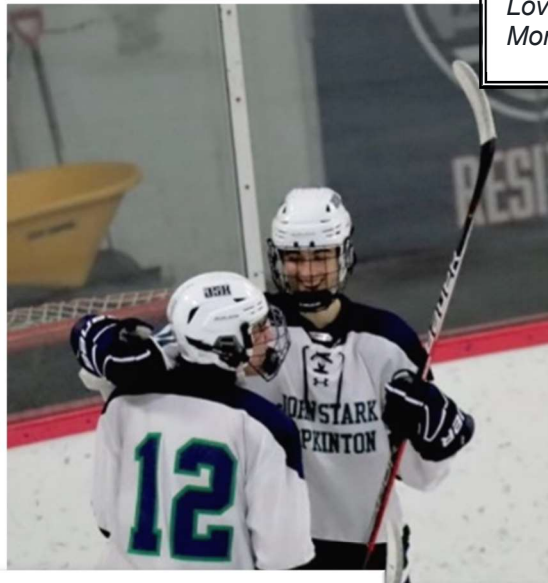

Lucas Gagnon (F)

Lucas,

We have been so blessed to have watched you play this game that you have loved since you were a little boy. You have worked so hard. We are so incredibly proud of you and look forward to seeing what your future brings.

Enjoy your senior year.

Love,
Mom, Dad, and Christopher

Lucas,

Congratulations on all your accomplishments. We are so proud of you!

May your journey be filled with learning, love, and success.

Love Mimi and Papa

#23C

Soren Puc (F)

Soren,

We can't believe how the time has flown! It seems like it was only last week that you were out on the ice at the Everett pushing around a plastic crate. Mom could never tie your laces tight enough so it's a good thing you figured out how to do it yourself! You have become not only an incredible hockey player, but a true team player and driven in everything you tackle. We are so proud of you and hope that every time you step on the ice brings you joy for decades to come!

Love Mom, Dad, Greta and Liesl

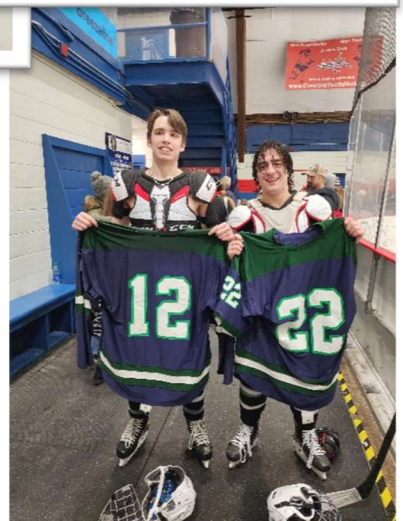

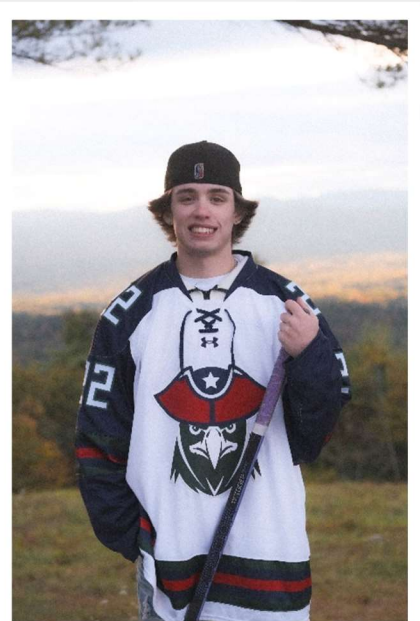

#22

Carter Lavoie (F)

Carter,

Boy, don't you worry, you'll find yourself. Follow your heart and nothing else. You can do this, oh baby, if you try. All I want for you, my son, is to be satisfied. We're so proud of the accomplishments you have overcome. We love you to the moon and back.

Dad and Jenni

Carter,

We are so very proud of you Carter. Your determination, dedication and perseverance is incredible! Never let anything dull your shine. Do you and keep on shining!

We love you so much Ched!
