

Huron Valley Schools Participate to Participate Policy

With the uncertainty that lies ahead for the 2020-2021 school year and the MHSAA athletic seasons, the Huron Valley Schools Athletic Department is implementing the following policy as part of our Pay to Participate policy. This policy will start for Fall 2020 athletic seasons.

Pay to Participate will be collected in full once team rosters are set. Athletes will be required to complete the Pay to Participate process within one week of rosters being posted. The following policies will be put into place should a season be canceled or halted mid-year.

- If any athletic season is canceled prior to any official competition taking place the family will receive a refund or credit of 80% for that season
- If the season is canceled prior to 50% of the officially regular season scheduled contests taking place the family will receive a refund or credit of 50%
- If 50% of the officially regular season scheduled contests take place there will be no refund or credit
 - Credits can be used toward another season's Pay to Participate

Please note, the HVS Athletic Department will continue to accept hardship waiver requests and offer reduced Pay to Participate rates for student-athletes who qualify for the free and reduced lunch program.
