

LAMPHERE HIGH SCHOOL

LIMITED ATHLETIC TRANSPORTATION PROGRAM

- All athletes will be transported **to and from** athletic events for the following high school sports programs: Football and Track.
- All middle school and high school sport teams traveling to schools other than on the list will be transported to and from the sporting event. These athletic events will be identified on the individual sports schedule prior to the start of each sport season.
- All sports teams (excluding high school Football and Track) traveling to the schools listed will be transported to the athletic event only. Parents have the responsibility to provide return transportation:

Parents must complete the "Parent Permission for an Athletic Trip by Automobile" form giving permission for private transportation for the return trip

No transportation will be provided for athletic events that occur on weekends with the exception of high school Football and Track. Parents will have the responsibility to transport athletes to and from the athletic event following the completion.

Exceptions

Schedules can be modified at the discretion of the District Administration when it is in the best interest of the athletic team. Parents will be notified of any changes to the transportation schedule as it is deemed necessary. Factors that may require changes to the transportation plan include but are not limited to weather conditions, change in event locations, and date of contest.

PARENT PERMISSION FOR AN EXTRA-CURRICULAR TRIP BY AUTOMOBILE

(To be signed by parent regardless of student's age)

I hereby give my son/daughter _____ (student's name), a student of Lamphere High School, permission to be driven to and from school activities by transportation coordinated by myself. In giving my permission, I understand that a privately owned automobile will transport my son/daughter. I understand that under the current interpretation of Michigan No-Fault Insurance law, my automobile insurance may apply to my son/daughter in case of injury while riding in another person's automobile. I understand that the driver and/or owner of the private automobile is responsible for any liability driving to or from the school sponsored activity just as he/she would be at any other time in the operation of the automobile.

In consideration for the participation of my son/daughter in the off-campus activities, I hereby agree to indemnify and hold harmless Lamphere Schools, its employees and agents, Board of Education and Board members, from any and all claims that my son/daughter may make arising from or related to his/her transportation to and from the school-sponsored activity. This indemnification shall be construed broadly in favor of the District. This agreement shall remain in effect as long as the student is enrolled in the district or until rescinded in writing by the parent.
