COMMENTS:

To start the season with three wins and one loss is a positive. I think we all learned a lot about ourselves, where we are at skill-wise, and what we need to do to get better. We were inconsistent and far too conservative with our passing and too timid attacking the ball at times.

After a somewhat slow start, Aleyna put her game together and carried us offensively. We have an underclassman duo of Mackenzie Buck and Briana Singer that will do a lot of damage to our opponents very soon. Mack, in her second season, had her best day as a Wildcat and Bri made a successful jump from middle school ball last year to the heat of varsity. Those two are going to be stars in the SAC.

Jade Sibley and Olivia Wildes were all over the court making great defensive plays along with Aleyna and Madison Fisher. Olivia's mental strength and leadership has really improved from last year and Jade was relentless as she threw herself all over the court to keep points off the board. She was inspiring with her selfless play.
