YEAR IN REVIEW

Redhawk Parents,

Welcome to the 2017-2018 Redhawk Night. The Marshall Athletic Boosters (MAB), reunited and organized last year, is very excited about a new year of fundraising and support for Marshall Public School Athletes, grades 7th through 12th. The booster goals, established in the summer of 2016, propelled innovative ways of fundraising which brought about changes for participants and supporters of Marshall Athletics. We want to thank the athletic department, coaches, parents, student-athletes, businesses, and all the other community supporters for backing the new, exciting direction the Booster Board is headed.

MAB MISSION

*To encourage athletic, academic, and co-curricular programs
through the contribution of time, funds, knowledge, skills and materials
to the Marshall Public Schools.*

Last school year, the Boosters donated \$27,000 towards the sports programs your children know and love. Annually, the foundation of the boosters is the Redhawk Open held in August. Fall is a critical time for revenue and last year was no exception. Feedback from local supporters influenced the creation of the MAB sponsorship packages and enabled local businesses to plan their sponsorship activities for the entire fiscal year. To centralize and expand fundraising, the booster board, in partnership with the softball and baseball teams, hosted the annual reverse raffle. This event, as well as family passes, fall and winter programs, and fall and spring advertising banners, combined with the perennially anticipated Redhawk Open to make 2016-2017 a momentous year.

Looking forward, we hope to improve the execution of fundraising events and increase revenues for the 2017-2018 year. As we grow and establish events for the coming year we are always in need of volunteers. Please review the Volunteer Registration sheet for the event that interests you the most. Regardless of your ability to volunteer, check out the volunteer registration for important MAB fundraising event dates. Mark your calendars now for these major events and keep a lookout for supplemental fundraising throughout the year.
