

McCluer Comet Activities

Athletic Pre-Participation Requirements

There are requirements set forth by the Missouri State High School Activities Association in order for students to participate in extracurricular activities. These requirements are necessary for all students interested in participating in any of the following activities that McCluer offers.

Football	Boys and Girls Tennis	Boys and Girls Basketball
Boys and Girls Soccer	Volleyball	Sideline Cheerleading
Softball	Boys and Girls Track and Field	Dance/Pommies
Boys and Girls Swimming	Boys and Girls Cross Country	Marching Band
Boys and Girls Wrestling	Baseball	

Students will not be allowed to tryout or practice without a valid Preparticipation Sports Physical on file in the Athletic office; this includes all necessary signatures from both the athlete and the parent or guardian.

Beginning the 2019-20 school year Sports Physicals will be valid for **two calendar** years to the date of the physical. This means that if a physical was done during the school year there is a chance it may become invalid in the middle of a sports season which would make that student-athlete ineligible until a new physical is submitted.

Any current physical on file dated on or after January 1st, 2018 is still valid and will be good for athletes looking to participate in a fall sport but will be **invalid** for winter and spring seasons.

BEST PRACTICE: Get your physicals completed in the summer.(preferably the summer before 9th grade and the summer before 11th grade)
