It is the policy of the Academy that all student-athletes will travel with the team to and from athletic contests or off-campus practices and return with the team whenever school-provided transportation is available. The Academy utilizes different forms of school-provided transportation, such as rented or owned busses or vans. This procedure is in place to provide for the safety, security, of the students and staff and to clarify responsibility between the parties. We recognize there are extenuating circumstances that may justify exceptions that are approved by the Athletic Director.

I/We understand that GreatHearts \_\_\_\_\_ is a public charter school and agree to hold the Academy, its staff, administration, employees, agents, affiliated entities and Board of Directors harmless in the event of any injury to my student while they are participating in this off campus activity to the extent allowed by law.
