Dear Camper,

We are excited about the 31st year of Frontier Camp. As you can read in the quotes included in this brochure, Frontier has always been about individualized attention— a chance for you to improve your personal game. Our experienced coaches are dedicated to helping you become a better basketball player, no matter your experience level.

Most of our staff is made up of former Frontier campers. One reason this happens is because a good number of our campers stick with basketball and play or coach at the high school level and beyond. Another reason for this is because Frontier Basketball Camp is a lot of fun, and it keeps people coming back!

We sincerely hope that you will join us for Frontier Camp this summer. See you on the court!
