

SETTERS make... Hitters Look Better!

and the GPVBCA wants to make your setter, Better!

JULY 30 - AUGUST 1, 2012 * CLINICIAN: MARIA HORNING * HELD AT EASTERN COLLEGE

The Greater Philadelphia Volleyball Coaches Association is sponsoring another Setting Clinic this summer open to girls entering the 8th, 9th, and 10th grades who have setting experience. This is not for beginners. Other grades are welcome but will be accepted if space available. We continue to seek ways to make our setting community better and better by providing clinics with a limited number of participants and a maximum number of individual instruction.

Maria Horning - Eastern College's 4x All-American setter. She was a member of the Capital One Academic All-American first team and the only member who played in the 2011 Division III National Finals. She will concentrate on the proper techniques of the setting position focusing on footwork, hand positions, locations and more.

Cost: \$120 per player (setting clinic only) 9am - Noon. Those wishing to stay the entire day (9am - 4pm) will pay \$250 per player and take the setting clinic in the morning and the Defensive Skills Camp in the afternoon (1-4pm) with lunch included in the full day price. **(This is a commuter camp)**
