

**MONETT HIGH SCHOOL SWIMMING & DIVING  
TEAM HANDBOOK  
BOYS SEASON 2018**

**Practice Policies & Procedures**

Swimmers are expected to attend practice every day practice is scheduled unless ill or the coach has approved the absence ahead of time. If any unauthorized absence from practice occurs, the swimmer/diver will be ineligible to swim or dive the next meet unless the practice is made up to the satisfaction of the coach. If an athlete accumulates three unexcused absences during the season, he will be suspended from the team for a one-week period. Any athlete accumulating five unexcused absences will be dismissed from the team.

Swimmers should be dressed and ready to get in the water at the scheduled start of practice. Plan to arrive at the pool 10 to 15 minutes ahead of time so you are ready to get in on time. Pool time is limited and swimmers are expected to get in the water as soon as practice starts. Swimmers arriving late or not getting into the pool on time will be subject to a consequence determined by the coaching staff following practice. Swimmers are expected to listen carefully to instructions and to follow the practice as outlined by the coach. All aspects of practices are designed to help condition you and get you ready for competition.

There should be absolutely **NO** reason to miss practice during your taper. (The last few weeks of your season.)

Swimmers need to remember that the pool is not our own and that the Monett Area YMCA has allowed us to use the facility and many people in the community gave generously to it. Swimmers are expected to treat the facility with respect and care. Swimmers must refrain from horseplay in the locker rooms or around the pool. Before and after practices, you must also be respectful of other patrons in the locker rooms. Cell phone use is not allowed in any locker room.

**Meet Policies**

All swimmers are expected to attend all the meets: High school swimming is a team sport and the team counts on each swimmer's participation. All swimmers are expected to stay for the entire meet. Sometimes there are last minute changes that need to be made to relays and swimmers are needed to fill in the relays.

An individual swimmer is allowed to swim a maximum of 2 individual events plus 2 relays for a maximum of 4 events. The coach may choose to place a swimmer in only 1 individual event so he can use the swimmer in 3 relays.

High school swimming is a team sport and the coach will aim to fill all the events. Some events are more difficult than others and you may not like the event you are in for a particular meet, but swimmers are expected to swim the events that the coach puts them in. Often, if you are swimming something you don't like the coach will try to get you in an event to swim you do like. Although many swimmers prefer to swim the 50 Free, not everyone can. If you are new to competition swimming, try and develop expertise in one of the other events as soon as possible. At meets, you are there to swim and represent your team/school. Please do not use your phone or visit with outside friends/family in the stands. This isn't to be mean, but rather to ensure focus on your team and your races.

## Lettering Requirements & Team Awards

In order to qualify for a Varsity letter, a swimmer must display good sportsmanship, citizenship, and conduct at meets and on trips and meet all school requirements for conduct and standards outlined in the High School Student Handbook

1. Place in the top 18 in any individual event or top 12 in any relay event at the Southwest Missouri Championship Meet.
2. Qualify in at least one event in the MSHSAA Swimming Championship Meet.
3. Meet two of the following time standards:

200 Free:	2:12.00

5. Be voted as a team award winner (see below)
6. A letter may be awarded to a junior or senior, who has completed two consecutive years in good standing or has displayed extraordinary effort.

In addition to Varsity Letters, awards for the Most Improved Athlete and Most Valuable Athlete will be awarded. These awards will be voted on by the team. A Cub Award will be given and the end of year banquet.

## Other Information

- All swimmers will be expected to shave their arms, legs, hands, feet, chest and back for the SWMO Championships or MSHSAA Championships.
- Make sure that you are getting enough complex carbohydrates in your meals and plenty of water to drink. Stay away from simple sugars, pop and candy.
- To prevent Swimmer's Ear, Always use an ear drop solution after every practice.
- You must ride home with the team unless you have the coach's permission and your parent or guardian signs you out.

## Equipment

- The school will pay for \$20 of your team suit (to be worn for meets only).
- You may choose from the following

Polyflex Brief (\$12)	Streamline Brief (\$20)
Polyflex Jammer (\$17)	Streamline Jammer (\$30)
- Polyflex will wear out faster and is not as fast through the water. Streamline will snag less and is a faster material.

- Swimmers are encouraged to purchase a Technical Suit for SWMO Championships or MSHSAA State Championships
- All swimmers will be issued one silicone cap to be returned at the end of the season. If it becomes damaged, lost, or you want to buy it you must pay for a replacement (\$10)
- Usually, the team buys team apparel of some kind during the season and the cost varies.
- All items purchased should be paid for in advance by checks made payable to Monett High School
- If the cost of anything is a problem for anyone, PLEASE see your coach so he can make appropriate arrangements. Don't let the cost of anything keep you from participating.
