

2019-2020 New Lothrop Wrestling Statistician Application Process

We're glad you're interested in being a statistician! Statisticians are an extremely important part of the New Lothrop Wrestling team.

Our statisticians provide value to our team by working tournaments, recording matches, maintaining records, providing match summaries to local newspapers, updating our team website, contributing to our social media presence and decorating the team bulletin board outside the gym.

What's in it for you? Statisticians are part of the team! Travel, team apparel and resume building are all part of the experience, but you'll also earn volunteer hours and professional references.

What's next?

We care about your math, writing skills and reputation, but most of all we care about your ability to follow directions! Statisticians receive weekly assignments and are expected to follow directions closely and submit tasks on time.

To access this year's application:

- Go to the team website at www.newlothropsports.org. Select "Winter", "Wrestling", "CoEd Varsity"
- Select "Team Files"
- Download the application, the tentative schedule, and the Rules & Expectations
- Follow the directions on the first page of the application and submit all materials by Friday, November 1, 2019.

Questions?

Feel free to email Beth Clark at bclark@ath.newlothrop.k12.mi.us if you have any questions or need assistance with your application.

All applications will be reviewed by the coaching staff and/or faculty volunteers. The number of statisticians may vary from year-to-year based on the travel needs of the team. Successful applicants will be notified by November 15, 2019.
