Parent/Legal Guardian Consent & Assumption of Risk:

Participation in interscholastic athletics requires an acceptance of risk of injury. These risks include, but are not limited to the following: death, quadriplegia, paraplegia, internal injury, closed head injury (possibly including post-concussion syndrome) and muscle-skeletal injuries (including sprains, strains, and fractures). Some of these injuries may result in medical treatment, surgery, and/or permanent disability. I understand that coaches, athletic trainers, and physicians (including side-line team physicians) will use their professional judgment when administering proper medical treatment. I have had the opportunity to ask questions, hereby recognize the risk of injury, and give my consent for my son/daughter to participate in interscholastic athletics I further consent for the disclosure of information otherwise protected by FERPA and HIPPA for the purpose of determining eligibility for interscholastic athletics to the MHSAA, OK Conference, and school district. I also agree to accept and comply with all MHSAA, OK Conference, and school district athletic policies.
