

Business Membership Application 2012 - 2013

The Patriot Pioneers Booster Club raises and manages funds to support all Patriot High School after school activities. While Athletics are a significant part of our responsibilities, we are equally committed to the Fine Arts including the Marching Band, Performing Chorus, Strings and Drama. Other clubs and groups such as Robotics, DECA, FBLA and others may elect to become part of the Booster organization. All fundraising activities and expenditures are closely monitored by the Patriot Administration and Prince William County Schools for accountability and Title IX compliance.

We have a strong commitment to our local community and encourage all of our participating teams, clubs and groups to incorporate community service into their projects as well as outreach to our feeder schools Marstellar Middle & Gainesville Middle.

The Booster Club strives to partner with all of our area businesses and others outside the area with ties to Patriot Staff, Coaches, Sponsors, Parents and Students. The Boosters are a registered 501 (c) (3) and contributions less value received may be a deductible expense. Our hope is that we can establish a relationship with your business once per year and that will reduce or eliminate the constant contacts from different groups throughout the year. We would also like to establish a list of goods and services you would like to provide us for purchase or donation throughout the year like meals for special events, prizes or gift certificates for competitions or other things where we can give your business additional special recognition. The Boosters will keep an up to date list of business partners and their respective goods and services for our Booster committees to use.

As an added Bonus, all 2012 – 2013 Business Members will be considered founding business partners and your renewal rate of 50% of this year's rate will be honored as long as you renew.

All Booster Business Memberships include the following:
