

*Dear Friends of the Patriot Community,*

On behalf of the **Patriot High School Baseball Program**, I would like to extend an invitation to you, your family and/or your company to become a sponsor for our 2012 season. With this being our inaugural year, our players will be growing as athletes and young men as they will battle it out on the ball field with some of the finest teams across the region and state. Our players, coaches and families are more excited than ever for the 2012 season!

The **Patriot High School Baseball Program** is already on its way to becoming something very special; something people want to be part of. Because of the hard work, dedication, and commitment of all those who participate in **The Program**, our teams will not only reach the highest level of competition, they will also excel in the classroom, be active members in our community, and develop skill sets that will not only benefit them on the field, but also in the classroom and life.

The **Patriot High School Baseball Program** is committed to giving all our ballplayers the safest equipment (which means the newest technology), the best gear, and the best practice and training facilities we can. Your sponsorship dollars will help us cover our major expenses such as equipment purchases and reconditioning, facility upgrades, team apparel, field maintenance, coaches' education, and other administrative costs.

If providing a sponsorship for the **Patriot High School Baseball Program** is an option for you, your family, or your company, I encourage you to review the sponsorship information included with this letter.

As always, 100% of your tax-deductible sponsorship dollars benefit the players and the program. We welcome any comments or questions regarding the details of your sponsorship. Thank you in advance for your consideration and support of the **Patriot High School Baseball Program**.

*Play Ball!*
